PAYMENT REQUIRED BEFORE BOOTH PLACEMENT

Space limitations have forced us to be selective in choosing the clients who will showcase their wares at our annual event. We feel that achieving the right exhibitor "mix" is crucial. So is continuity and flow in the show's layout. For this reason, we do not guarantee booth locations. Working on a first come, first served basis, we endeavor to meet all exhibitor location requests. Unfortunately, we do not take position requests until full payment is received.
